

### **Leadership For Young Health Professionals “Developing Leaders For Tomorrow”**

- This is a highly interactive, two-day workshop that has been specially designed by Dept. of Medical Oncology, HMC and DME of PGMI, Peshawar.
- Date: 23<sup>rd</sup> and 24<sup>th</sup> May 2017.
- There shall be **interactive sessions** including **group and individual tasks** as well as interaction with personalities of national and international repute who will talk about **their success stories and advise participants** on how to become high achievers.
- This workshop shall be of special interest to PG Residents aspiring to assume leadership role in future. All PGs of PGMI Peshawar are eligible to apply.
- Participation shall be by **invitation ONLY**.
- Aspirants **MUST** apply in writing giving reasons how this workshop will help them in future. This letter of intent **MUST** be recommended by the HoD/Supervisor giving a brief history of academic achievements of the trainee.
- Due to limited number of seats only short-listed candidates shall be invited to attend – there will be no on-site registration.
- Last date of receipt of application (letter of intent and letter from Supervisor/HoD): These must reach DME of PGMI by Wednesday 17<sup>th</sup> May 2017. Incomplete or late applications shall be rejected.
- Contact Mr. Naik Zaman (0313 9217190) or Mr. Hussain Shah in DME of PGMI for details.
