Date 17/5/22

## NOTIFICATION

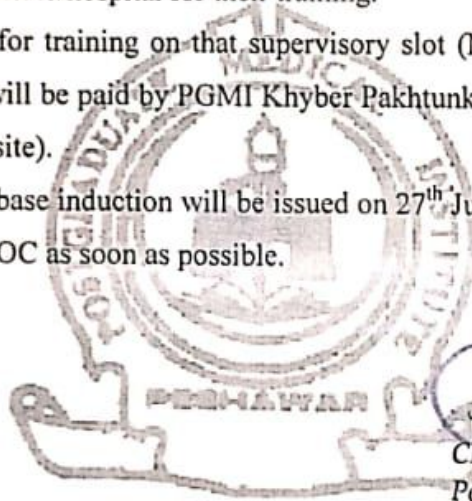

Induction for FCPS-II training (session July 2022) is under process and we are facing shortage of supervisory slots in the following specialties.

1. Periodontology, Prosthodontics, Orthodontics, Operative Dentistry & Oral & Maxillofacial Surgery.
2. Emergency Medicine, Radiotherapy and Nuclear Medicine.
3. Histopathology & Microbiology.
4. ENT Sub-specialties, Ophthalmology Sub-specialties, Pediatrics Sub-specialties, Rheumatology, Critical Care Medicine, Vascular Surgery, Infectious Diseases, Surgical Oncology, Orthopedics Sub-specialties & Breast Surgery (All those specialties which are not available in PGMI Affiliated Hospitals)

Therefore, PGs who intend to join training in above mentioned specialties are allowed to arrange NOC from CPSP recognized institute/hospital for their training.

If these PGs are selected for training on that supervisory slot (NOC based) by PGMI KP Induction Committee, their stipend will be paid by PGMI Khyber Pakhtunkhwa as per policy after fulfillment of codal formalities (see website).

Placement order for NOC base induction will be issued on 27<sup>th</sup> June 2022, 14<sup>th</sup> July 2022 and 28<sup>th</sup> July 2022. Therefore, submit NOC as soon as possible.
