Subject: **BEST SUPERVISOR/BEST TRAINEE (PGR)/ BEST UNITS AWARD 2022.**

Post Graduate Medical Institute (PGMI) is a premier institution of postgraduate medical education in Khyber Pakhtunkhwa and is a pioneer in introducing innovative concepts in medical education to ensure professionally trained, ethical, competent and caring specialists.

PGMI, Peshawar aims to develop and sustain high standards of innovations to holistic patient and population-centered health care, strengthen a culture of research and spirit of inquiry amongst postgraduate trainees. It monitors and regulates the quality of educational programmes on a regular basis in Medical Teaching Institutions (MTIs) and affiliated Hospitals and ensures highest quality of teaching and training, promotion of research and best patient care and professional ethics.

Postgraduate Medical Institute, Peshawar, initially decided to conduct an online survey for the "Best Supervisor", "Best Trainee/PGR" and "Best Unit", respectively in the MTIs and affiliated Hospitals. The Online survey was time consuming due to requirements of heavy documentation.

The competent authority of Post Graduate Medical Institute (PGMI) has decided that all the supervisors and unit incharges should send their updated CVs and brief introduction regarding their units to focus on the following points to get maximum benefits.

Best Supervisor criteria

1. Presented/Attended/Organized conferences/congresses/workshops/symposia.
2. Publications.
3. Supervisor in specialty and in subspecialty (years).
4. Involvement in teaching & training (years).
5. Trainees trained till date.
6. Fellows passed till date.
7. National award(s).
8. International award(s).
9. Role in National/ International professional bodies.
10. Additional courses attended.
