PGMI Best Employee Award

Mr. Tufail Ahmad (Purchase & Procurement Incharge)

The Chief Executive officer Prof. Dr. Muhammad Arif Khan apprised the audience about the progress of PGMI in the last two years - inauguration & functionalization of the skill lab, hiring of highly skilled Human resource, conducting webinars during covid pandemic. The development MIS (Management & Information System) and online portal for inductions of postgraduate residents and CME activities was another land mark in success. The training opportunities were created for team capacity building. The MOUs with all private and military hospitals of KP were signed to bring all institutions of KP under one umbrella of PGMI for induction of residents. The MOU with AFIGMI for very rear and un-inhabited specialties will provide opportunity to the KP residents and help in establishing new specialties in the province. The concept of un-inhabited specialties was introduced for same purpose..

The CPSP President applauded the policies of the government of KPK & PGMI regarding the induction of the trainees and the ownership of the residents. He further added that others provinces should also learn from PGMI KPK in this regard.

The Honorable Chief Guest, Prof. Dr. Mohammad Daud Khan talked about the present era challenges to health system and its way forward to overcome those challenges. He lauded the idea of Annual Dinner & award ceremony and appreciated its superb arrangement.

The event was widely attended by the distinguished guests, Faculty and postgraduate residents from inside and outside the province. All the institutions of KP, public sector MTIs, private and armed forces hospitals representatives were present. Everybody enjoyed well and appreciated the event as it provided a great opportunity for all the faculty members and supervisors of the province to meet, mingle and entertain at the same time.

Although awards and decorations were done for the first time in history of PGMI and it will create a positive competition among all the faculty members, trainees, departments and employees in the future.

Prof. Dr. Khalid Masud Gondal also ranked PGMI event excellent and Prof. Dr. Riaz Anwar “Ex Dean” PGMI praised the current CEO Prof Dr. Arif Khan for organizing this event, and congratulated him for operationalizing the skill Lab, which not only fulfilled the his dream but also reaffirmed the vision that PGMI should not have any boundaries.

Very well-conceived and executed to perfection function. Essential theme was to honor everyone and rejuvenate PGMI in the new role and this you did very effectively along with your very dedicated and disciplined team.
Prof.Dr. Hafiz Ullah.

Chief Executive Officer PGMI

Prof. Dr. Hafiz Ullah “Ex Vice Chancellor KMU” remarked that it was a very well-conceived and executed-to-perfection function. He said that the essential theme was to honor everyone and rejuvenate PGMI in the new role and this was done very effectively by the dedicated and disciplined team which organized the event.

The Prof Dr. Hafiz Ullah also presented souvenir to Chief Executive Officer PGMI prof. Dr. Muhammad Arif Khan on behalf of PGMI management as token of thanks.

The dinner was served to the distinguished of guest at the end.
