

## **UPDATE XIV: GUIDELINES OF NOC FOR 1<sup>ST</sup> AND 2<sup>ND</sup> FELLOWSHIP APPLICANTS**

Those applicants who applied for 1<sup>st</sup> and 2<sup>nd</sup> fellowship session **Jan 2023** and their names are present in Final merit list as Eligible applicants and they intend to opt NOC Based Induction are directed to read induction policy carefully and follow it exactly. After comparing the number of slots and applicants in different specialties, practically NOC will be allowed in following specialties if slots available in PGMI affiliated Hospitals are filled:

### **FIRST FELLOWSHIP**

1. Medicine & Allied: Emergency Medicine, Radiotherapy and Nuclear Medicine
2. Surgery & Allied: Emergency Medicine
3. Pathology: In specialties where slots are not available in PGMI.
4. Dentistry: Paediatrics Dentistry, Periodontology, Prosthodontics, Oral & Maxillofacial surgery, Orthodontics & Operative Dentistry.

### **SECOND FELLOWSHIP**

1. ENT Sub-specialties
2. Ophthalmology Sub-specialties
3. Pediatrics sub-specialties
4. Rheumatology
5. Critical Care Medicine
6. Vascular Surgery
7. Infectious Diseases
8. Surgical Oncology
9. Orthopedics Sub-specialties
10. Breast Surgery
11. All those specialties which are not available in PGMI Affiliated Hospitals.

Those who avail a slot during slot allocation process and don't surrender it in given time are not eligible for NOC based induction. Those who don't opt any slot in Preferences portal or don't get any slot in slot allocation process or get slot allocated but surrender in given time are eligible for NOC based induction provided slots available in PGMI affiliated Hospitals are filled. The applicants

eligible for NOC based induction are directed to submit NOC along with application (it must contain your request, user id, CNIC, email, contact number and signature) on or before 2<sup>nd</sup> JAN 2023 in PGMI office through diary section and placement order will be issued & uploaded on 3<sup>RD</sup> JAN 2023. Those who get & submit NOC after this time will be entertained till the CPSP RTMC portal is closed. The subsequent NOC based placement orders will be issued on 15th Jan and 28th Jan 2023. If stipendiary slots are less than the applicants, merit will be followed and if all stipendiary slots get exhausted, no further slot allotment will be done.
