If there is any technical problem in submission of Preferences: The PGMI team will be available on **23rd Dec 2022 at 4pm** to help those who could not submit their preferences for any **technical reason**. Please come with your own laptop & report to Mr. Junaid at Webinar Room, Near Conference Hall/ Library. After 4pm, No applicant will be entertained. Those who have submitted the preferences, will not be entertained.

All those applicants who fail to submit their preferences on Portal before closing, will be excluded from the Slot allocation process.

JUST TO REPEAT A FEW IMPORTANT STEPS IN SUBMITTING THE PREFERENCES:

Please fill it up carefully and once preferences submitted, it's not possible to re-open it for any change.

Please put your preference number against all slot as per your choice and put zero (0) against the slot/slots you don't want to opt.

In Medicine & Allied and Surgery & allied, its three-step allocation. In the first step you will opt General or specialty. In the second step, those who get the specialty will opt Group A or B. In third step, you will opt the sub-specialty in your group. The first two step will be done now and third step will be done after completing 2 years pre-IMM training or in case of orthopedic/trauma & Neurosurgery after one year. To further elaborate, at the first step you will be allotted general or specialty as per your choice and merit. You can choose any preference like general unit A HMC preference 1, general unit B KTH preference 2, Specialty unit B HMC preference 3, general unit A LRH preference 4, so on and so forth. If you get the specialty then you will be allotted group as per your choice, available slot and merit. Its further clarified that, if you select group A that means group A is your first choice and group B is second choice and vice versa.

2. **APPLICANTS WITH MORE THAN ONE PART-I (DOUBLE FORM):** A few applicants have submitted two forms in different specialties. Their merit in both specialties is uploaded and now they are directed to choose one and surrender the other. For this purpose, they can send a message from their registered number to PGMI helpline (WhatsApp number 03495616101) with clear message about surrender of one application. When the portal for preferences/choices will be open, they should give preferences for one application/specialty. If they don't surrender one application, software either open portal for anyone application randomly or block their both applications. To save yourself from this inconvenience, surrender one before 4pm on 20th Dec 2022. Be aware, if you get slot allocated in both specialties, both slots will stand cancelled. (See update-V)
3. **APPLICANTS INTEND TO JOIN SUB-SPECIALTY:** (This is not for those who are already doing pre-IMM training with PGMI as regular PG residents) The applicants who have completed two years pre-IMM training as specialty resident (Group A or B in Medicine & Allied or Surgery & allied) and now want to join sub-specialty for post-IMM three years training with PGMI Peshawar OR those who have already started sub-specialty training and want to join PGMI for remaining period of training, are **directed NOT to fill this portal for preferences**. The sub-specialty slots are not visible in the portal.
They are directed to come to [PGMI office at 3pm on 23rd Dec 2022](#) for slot allocation. On arrival, please report to Mr. Shah Fahad at Examination Hall (1st floor, up-stairs). The available slots will be uploaded on PGMI web site a day before. Please check website every day.
