

UPDATE XVI: Uninhabited Subspecialty vacant Slots (Post IMM) For General Medicine and General Surgery Residents (inductees of January 2021)

The sub-specialty induction for session Jan 2023 is completed and the following slots in uninhabited specialties are left vacant. As per PGMI policy, the regular PG residents (on PGMI pay roll) who have completed two years pre-IMM training as General Medicine and General Surgery residents (4 years program) (inductees of Jan 2021) are allowed to opt these uninhabited sub-specialties slot after changing their specialty if they are interested.

This will be the responsibility of PG resident to change the specialty by CPSP and if any problem occurs in this process, PGMI will not be responsible for it. It will be mandatory to take NOC from present supervisor & Associate Dean/Head of Institute before coming for Interview.

It may not be possible to reclaim your General Medicine / General Surgery slot if CPSP refuse to change your specialty.

The stipend will be stopped on 31st Dec 2022 on completion of 24 month in General Medicine / General Surgery training and will start from the date of arrival in new specialty upon issue of RTMC by CPSP.

In case applicants are more than the available slot, merit based selection will be made.

Any penalty imposed by CPSP for this change will be responsibility of the resident.

PROCEDURE & SCHEDULE: All interested residents are directed to come in person to **PGMI at 10am on Friday 13th Jan 2023**. On arrival please report to Mr. Shah Fahad at Conference Room near Library. Late arrivals will not be entertained. Vacant slots will be allotted on merit amongst present eligible General Medicine/General Surgery applicants (inductees of Jan 2021). If someone is unable to come in person, can appear through representative. The representative must bring authority letter and his own CNIC. There will be no option of surrender the slot once allotted. The following slots are available at the moment.

1. Nephrology LRH	03
