# SUB-SPECIALTY INDUCTION JULY 2023
## LEFT-OVER RESIDENTS

The PGMI regular residents who are on PGMI payroll and have completed two years pre-IMM General Medicine or General Surgery as specialty residents were offered sub-specialty slots through software. A few residents have not given their preferences and choices on portal and hence no slot is allotted to them. It is finally announced that if they are interested in the left-over vacant slots as given below, they are directed to come to PGMI office on Friday, **23rd June 2023 at 10am**. On arrival, please report to Mr. Shah Fahad at Conference Hall near PGMI library. The slots will be allotted to them and then these slots will be offered to other groups. Moreover, if these slots are offered to General Medicine/Surgery residents and 2nd fellowship applicants, then NO NOC based induction will allowed in these uninhabited specialties.
