

Dated: 19<sup>th</sup> Dec 2023

**ANNOUNCEMENT FOR ORTHOPAEDICS & NEUROSURGERY SUBSPECIALTY  
INDUCTION JANUARY 2024 SESSION**

In pursuance of the CPSP notifications vide No. CPSP/Sec/2022/307 Dated: 02.07.2023 & No. CPSP/Sec/2022/308 Dated: 02.07.2023 and as per the final decision of PGMI Executive Council, the slots for Orthopaedics & Neurosurgery (1+4 formula) will be equally divided between the inductees of Surgery & Allied of session January 2022 & January 2023 as per merit.

- PGMI Inductees of Surgery & Allied session **January 2022** can apply in any specialty in Group A & B (through online portal once announced on website).
- PGMI Inductees of Surgery & Allied session **January 2023** can apply for Orthopaedics or Neurosurgery only (through online portal once announced on website). If they didn't fall in merit and didn't get any slot for Orthopaedics or Neurosurgery, they may complete 02 years Pre-IMM Surgery & Allied training & then they can apply for subspecialty induction in specialties other than Orthopaedics & Neurosurgery in subspecialty induction January 2025.
- Moreover, if any PG didn't get slot in Orthopaedics or Neurosurgery as per merit but wants to pursue their career in these specialties, they can resign from PGMI stipendiary slot and can apply & join any other institute in these specialties on their payroll.

**NOTE:** PGMI will **NOT** entertain NOCs in Orthopedic and Neurosurgery as per policy because these are not uninhabited specialties.
